Welcome to Laura Stillson as a new member.

Ancient Roads; Ted reviewed letters from Matt Birmingham. A meeting with the select board on April 5, 2010 will discuss the Pakenham ancient road. Mark Nowlan will be asked to contact the Hales. Sue will contact Rad Dyke regarding the ancient road on his property.

Easements; Bernatchez easement; Language prepared by Jonathan Springer, attorney for the snowmobile club, was presented for comment. Copies will be sent to the select board and town attorney for review. Greenall easement has some legal problems regarding the method by which it was filed. UVLT is working on this.

Town Plan; The survey done by the PC at town meeting was discussed. Cathy will get us the final results. The edited town plan will be sent to all members of the commission before the next PC meeting on March 17.

Natural Resources; Sue Greenall compiled a list of all trail easements and conservation easements in the town. Copies are in the WWCC file cabinet. Ted suggested that Sue review and inventory the natural resources maps in Martha's office and later set up a meeting where Martha could allow the WWCC to review the maps. Barbara, Cathy, Laura and Sue will attend an April 27 workshop on vernal pools in Woodstock. Discussion on Vermont Backroads and town road policy. Ted will follow up with the PC.

New Business; Upper Valley Trail Alliance sent a letter about trails. Ted suggested we invite them to our May meeting to discuss maintenance funding, etc. Sue will contact.
