*Vote*: Unanimous

Ancient road upcoming meeting on Dec. 21 was discussed. Peter Vollers will be representing the town as Matt Birmingham is a landowner involved. Deb Mithoefer has been asked to attend. WWCC members have been asked by the select board to estimate how many hours they have put in on ancient roads research.

*Motion* by Ted Siegler to accept Sue Greenall as the WWCC clerk

*Seconded*: Barbara Gerstner

*Vote*: Unanimous

Sue stated that she would step down as a member should another party be interested in joining. Contacts will be made.

WWCC priorities were listed

- Trails (ancient roads)
- Town Plan
- Vernal pool study
- Easements for trails

2010 budget was discussed. Estimated \$4,000 to cover continued ancient road research, clerk pay and putting Highway Book 1 in digital format for future reference. Ted suggested that the select board might want to take on that project as their own.

Dennis Lemire presented a trail easement agreement on the Bernatchez property for the West Windsor Moonlighters and GMHA.

*Motion* by Win Johnson to accept the offer to add the WWCC to the easement

*Seconded*: Ted Siegler

*Discussion*: Concern that the language of the easement did not appear clear.

*Motion rescinded* by Win Johnson

*Motion* by Win Johnson to have Ted Siegler look into the potential easement

*Seconded*: Erik Shutz

*Vote*: 4 yes, 1 abstain
