*Motion* by Laura Stillson to approve minutes

*Seconded:* Mark Nowlan

*Vote:* Unanimous

Geomorphic assessment – Mill Brook state grant funding approved. Passes out assessment for Black River Watershed. Need to hire a consultant for mapping data and where width of streams has been affected. Phase I this summer, Phase II next summer. Laura Stillson to be on steering committee in planning for the geomorphic assessment.

UVLT – Jean McIntyre, Peg Merrens. Discussion of what is to become of Mt. Ascutney's land and possibility of the town acquiring Mile Long field. Town has tracts and pieces of land they are interested in conserving.

Bicentennial trail – Laura is still working on reroute of the trail. There is still an area that is hazardous.

Vernal Pools – we still need more GPS points.

New Business –Volunteers needed for workshops to become monitors for invasive species.

## WWCC Priorities

- Identify easement initiatives for high priority land
- Working with the Town Forest Committee/Bicentennial trail
- Vernal pool inventory
- Trail easements
- Geomorphic assessment of major tributaries to Mill Brook

Motion to adjourn the meeting at 9PM
