

## Mary L. Blood Library Trustees' Meeting March 19, 2015

Present: Trustees Tom Kenyon, Edson Pierce, and Jennifer Rathburn (Librarian of the Mary L. Blood Library)

\*\*\*\*Minutes of February 19, 2015, were considered and accepted.

\*\*\*\*Jennifer presented her Librarian's report dated March 2015.

Librarian's report: Librarian's Report for March 2015

Our new books have been processed and put on the new book shelves. A few people have come in looking specifically for new books to read and most have found something from this group of new titles. Bruce Sahler has donated several relatively recent books as well and these have also been placed with our other new titles.

I've had to order more classification labels for the new books and for the children's EZ Reader books. These are helpful for identifying at a glance. I haven't yet seen the bill, but they are expected to be \$15.00 or less. I also went to Staples for ink cartridges for the printer/copier. The low ink light keeps coming on and occasionally someone comes in to print or make copies.

I will be away during the month of May, from Thursday the 7<sup>th</sup> through the following week and returning in time to be here on Wednesday the 20<sup>th</sup>. Bill and I are traveling to New Mexico, Colorado and Utah for a hiking and sightseeing trip.

Respectfully submitted, Jennifer Rathburn

--Old Business:

- (1) Tom to put a listing of the new books in his newspaper column from time to time.
- (2) Signed two bill to be forwarded to Treasurer for payment.
- (3) Jennifer to be away in May. In April we will decide who will be at the library during her being away.
- (4) Tom noted Dave Silvester continues to plan out the layout for the MLB library.
- (5) Tom noted the floor heat register near the new restroom will be moved around the corner so there will be heat in the restroom.
- (6) It was noted the Town Meeting Article for \$14,000 passed unanimously.

--New Business:

- (1) Pondered where the floor drain now exits and maybe it could be connected to the street drain which is going on the southwest corner of the road near Tribute Park.
- (2) Noted we do not know how the water line from the school to the parsonage basement will be run to the basement of the MLB.
- (3) Need to have the main maple floors cleaned after mud season is over.

The next meeting of the Trustees will be held on Thursday, April 16, 2015 at 4 pm.

Tom Kenyon, Secretary
