

West Windsor Town Forest Advisory Committee
Minutes of the meeting August 15, 2011

The meeting was called to order at 6:50 pm. Members attending: Dennis Lemire, Dennis Conley, Laura Stillson and Jim Lyall.

Minutes of the previous meeting were approved as written.

Management Plan Update:

Tii McLane's report on the recreational trails was discussed. Jim Lyall moved that though the referenced map was not included, the committee generally agrees with the report with the exception of restricting use of some trails after September 15th, and that October 15th would be reasonable. Motion was seconded and passed.

Bicentennial Trail: The Ascutney Trails Association declined our request that they take over maintenance of the trail. We discussed having WWTFC sponsor an annual Trail Day, and Laura volunteered to look into this and other options when her schedule becomes more open.

Dennis Conley brought up the issue of trail seeking cars getting lost on Coaching Lane Extension. The committee (thru it's liaison member, Cathy) will ask the selectboard to post a sign at the intersection with Coaching Lane saying "Trails" with an arrow.

The selectboard has made signs listing TF rules. The committee suggested that Rudy might be willing to erect the signs at entry points.

The meeting was adjourned at 7:15.

The next meeting will be on the 19th of September at 6:30.

Respectfully submitted,
Jim Lyall, secretary
