Discussion/review of 2014 budget. If figures are correct (as supplied by the town treasurer) then the TF has a total of \$16,045.15 in account.

TF Committee opted not to ask for any money for 2015 based on this figure.

Cathy to report to Selectboard and to ask for accuracy of current balance.

Estimation for 2015 is \$10,390.00 based on following :

Town Employee = \$6500.00

Grant = \$940.00

Bridges (pending Act250) = \$2500.00

Materials = \$250.00

Signage = \$200.00

Moving forward the TF Committee will be requesting a running monthly balance, form the Town Treasurer, in order to properly budget.

Cathy will work on Town Report and solicit information form all committee members.

Discussion involved regarding possible grooming for X-country skiing. Unanimously voted and agreed that any grooming by motorized equipment shall not occur within the town forest and should be restricted to Mile Long Field. Any grooming by motorized equipment shall have the written approval of Act250.

Respectfully submitted
