Minutes of the meeting June 9, 2011

The meeting was called to order at 6:30 pm. Members attending: Cathy Boedtke, Dennis Lemire, Dennis Conley, Ted Knox, Rudy Gross, Laura Stillson and Jim Lyall.

Minutes of the previous meeting were approved as written.

The committee elected Rudy Gross as new chairman.

Management Plan Update:

Tii McClane will be starting this month. The committee agreed that we should have Tii walk all the trails in addition to transecting the property, even if it means an addition to her contract.

June 13 Conservation Commission meeting:

The Town Forest Management Plan will be discussed, so WWTFC members are encouraged to attend.

Committee consensus: any agreement between the Town of West Windsor and STAB relating to trails in the town forest should be sent to the TF committee for comment and/or amendment before it is signed.

The meeting was adjourned at 7:35.

Respectfully submitted,
Jim Lyall, secretary
